

Zillionlink

Serving Industry Desires

- • • • Professionally managed operations for Foreign Currency and Indian Rupee
- • • • business, in order to provide its customers a one-stop sourcing option for all
- • • • their requirements ranging from active , passive , RF ,Electromechanical
- • • • Components , Displays , PCB's, plastic molding parts ,wire harness
- • • • Consumables & PCBA's

About Us

We are leading authorised Electronics component supplier providing quality products & supply chain management support to Electronic Industries. We have strong mutual relationships in the Asia pacific , Singapore , Japan , Taiwan Germany for sourcing products at competitive price.

Headquartered in Pune - India , the company was established in 2022 and has branches in India & Gulf . As one of the world's most potential general distributors of electronic components, it is also a certified second-level distributor of many electronic component brand manufacturers.

PCBA Unit Capacity

Type	Single , Double , Flex , Rigid , Multilayer
SMT Capacity	320 K CPH
SMT Line	High Speed 3D
Post SMT – PTH	120 K Sq.mtr per month
Box Built	06 Manual assembly line – 5000 sq.ft
Certifications	ISO9001 , ISO14001 , IATF16949 , ISO13485 , AS9001
Customer Segments	Automotive , Medical , Consumer , Defence , IOT
Experience	cumulative 400+ years .

PCB Unit Capacity

Type	Single , Double , Flex , Rigid , Multilayer
Mfg Capacity	50,000 sq.mtr / month
Laminate	FR4 , MCPCB , CEM1
Max Panel Size	600 * 500 mm
Compliance	ISO9001 , IATF16949 , UL , RoHS , IPC –A –600 C2
Multilayer Capacity	32 Layers
Proto Support	3 Working days
Customer Segments	Automotive , Medical , Consumer , Defence , IOT

Wire Harness Capacity

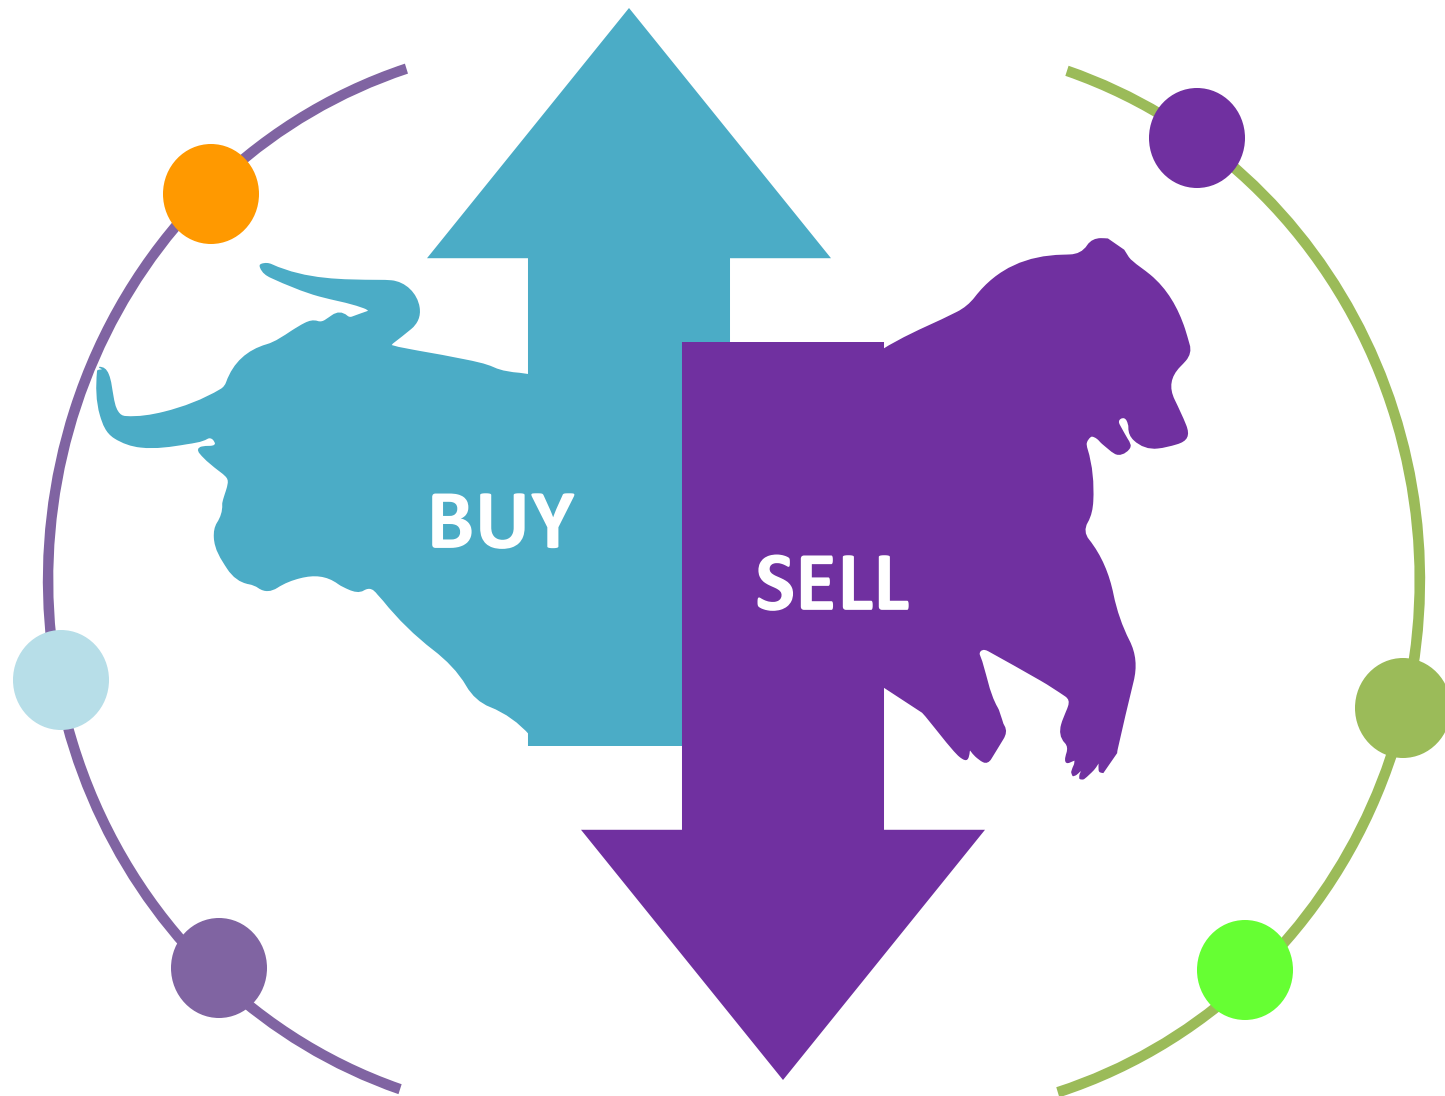

Raw Material	Imported / domestic
Technology	Automatic machines
Plant Area	3000 Sq.ft
Client base	Automotive 2 & 3 wheelers , industrial line
Certification	ISO9001 , IATF16949 (In process)

Plastic Molding

Raw Material	Polycarbonate (PC) , PC/ABS Blends , PC/ASA Blends , PMMA/PBT Blends, NYLON BLENDS
Manufacturing Capacity	250 T
Key Features	Solid clamps , customized operation , S Cube , plug in function , safety
In house Competency	In house mould design & maintenance , thermal testing , vibration testing , salt spray testing , material testing .
Certification	ISO9001 , IATF16949 (In process)
