

## Introduction Letter

Dear Sir / Ma'am.

!! Greetings !!

*I hope this message finds you well. In our continuous efforts to foster professional growth of MSME and provide a flexible learning environment, we are excited to announce the series of essential training cum practical implementation modules for MSME for the year FY2024-25.*

*Hope you are in the process to finalise the training calendar, Business / Quality Objectives & continual improvement programs for FY2024-25. If so then, trust & consider Zillion Brain as your training partner.*

**Yes,**

*It's 3rd Year we are delivering all listed modules when our associates decided to make expensive education to more affordable, practical, time efficient and entertaining. Education should not waste your time with knowledge that is only useful for audits, records and documentation. It should make employees better in practice.*

*After research and observations at different units, this year we have added 1 more new training program in existing training module list. We request you to make registration for this unique program.*

**Probably first time in INDIA**

*Please find list of all modules @ Page 2 , to get detail syllabus please whats app your company name and requirements. **Our EDU Executive will reach with offers and features.***

## Key Points

1. Topics selected above are vital to the operations, compliance, ongoing excellence and continued success of MSME & hence we feel trainings are mandatory in nature.
2. Training modules are designed to be taken at the pace of average MSME Employees.
3. For those attending virtually, ensure that you have a stable internet connection.
4. There will be an assessment at the end of training. Certificates will be issued after successful completion of assessment.

## What you can Expect

1. Comprehensive insights in to the practical / implementation part of topic.
2. Resources and supplementary material will be made available within the training module for reference.
3. A certificate of completion for those who successfully pass the assessment.
4. Interactive sessions & hands –on exercises to ensure thorough understanding.
5. Post training online whats app support for 1 month
6. Notable changes at your unit in terms of improved kaizen counts (Productivity, Quality, Cost & Moral, Safety)
