

A watercolor illustration of four students standing in a green field. In the background is a large red brick building with multiple windows and a blue sky with soft clouds. The students are depicted from the waist up, with their faces blurred. From left to right: a girl with reddish-brown hair wearing a white sleeveless top and a blue and white checkered skirt, carrying a brown bag; a boy with dark curly hair wearing a white t-shirt and a dark jacket, holding a yellow book; a girl with short black hair wearing a white shirt and an orange vest, carrying a black bag; and a boy with short black hair wearing a black t-shirt, holding a stack of books and gesturing with his right hand. The overall style is soft and artistic, typical of watercolor painting.

Appeal to Parent

"A one-time investment of ₹999 can help your child gain industry exposure, improve employability, access scholarships, build professional networks, and prepare for a successful career before graduation."

A watercolor illustration of a university campus. In the background is a large, multi-story red brick building with many windows. To the left, there's a green tree. In the foreground, two students are depicted: a female student with long red hair wearing a pink shirt, and a male student with dark hair wearing a purple shirt and carrying a black bag. They are standing on a green lawn with some yellow flowers. The sky is light blue with soft white clouds.

I am a student

"I am studying hard, but I am still not sure whether I will get a good job after graduation.

I see thousands of students competing for the same opportunities, and honestly, it worries me.

I don't just want a degree—I want industry exposure, internships, skills, confidence, and a clear career path.

I want to make my parents proud, become financially independent, and build a successful future.

I want guidance from people who have actually worked in industry, not just theory.

That's why I joined Zillion Club : Because my career cannot wait until the final year."
