

Zillion Integra ESDM Action Coach

Zillion Integra is a global integrated execution platform for Electronic System Design & Manufacturing, delivering single-window accountability from land acquisition to global market expansion — enabling enterprises to build scalable, compliant, and globally competitive manufacturing ecosystems.

TEAM SIZE : 05 SME'S , 09 ASSOCIATE TRAINERS , 12+SERVICE PROVIDERS

Welcome Message

A Strategic Division of *Zillion Link Private Limited* . We provide end-to-end integrated solutions for:

- Electronic System Design & Manufacturing (ESDM)
- Electronic Manufacturing Services (EMS)
- Semiconductor & EV Electronics
- Global EMS & OEMs entering India

Our Vision

To build India's most execution-driven ESDM ecosystem platform.

FOUNDER : MRS. BHAKTI , CO - FOUNDER : MR. GAJANAN CK

Integrated Solutions

Phase 1 – Infrastructure & Policy

- Land acquisition advisory
- Government scheme alignment
- CAPEX planning

Phase 2 – Technology & Setup

- SMT / Through-hole / Box Build line design
- Equipment selection
- Process engineering
- Cyber security architecture

Phase 3 – People & Systems

- Skilled manpower deployment
- Skilling & certification
- HR function setup
- ERP & documentation

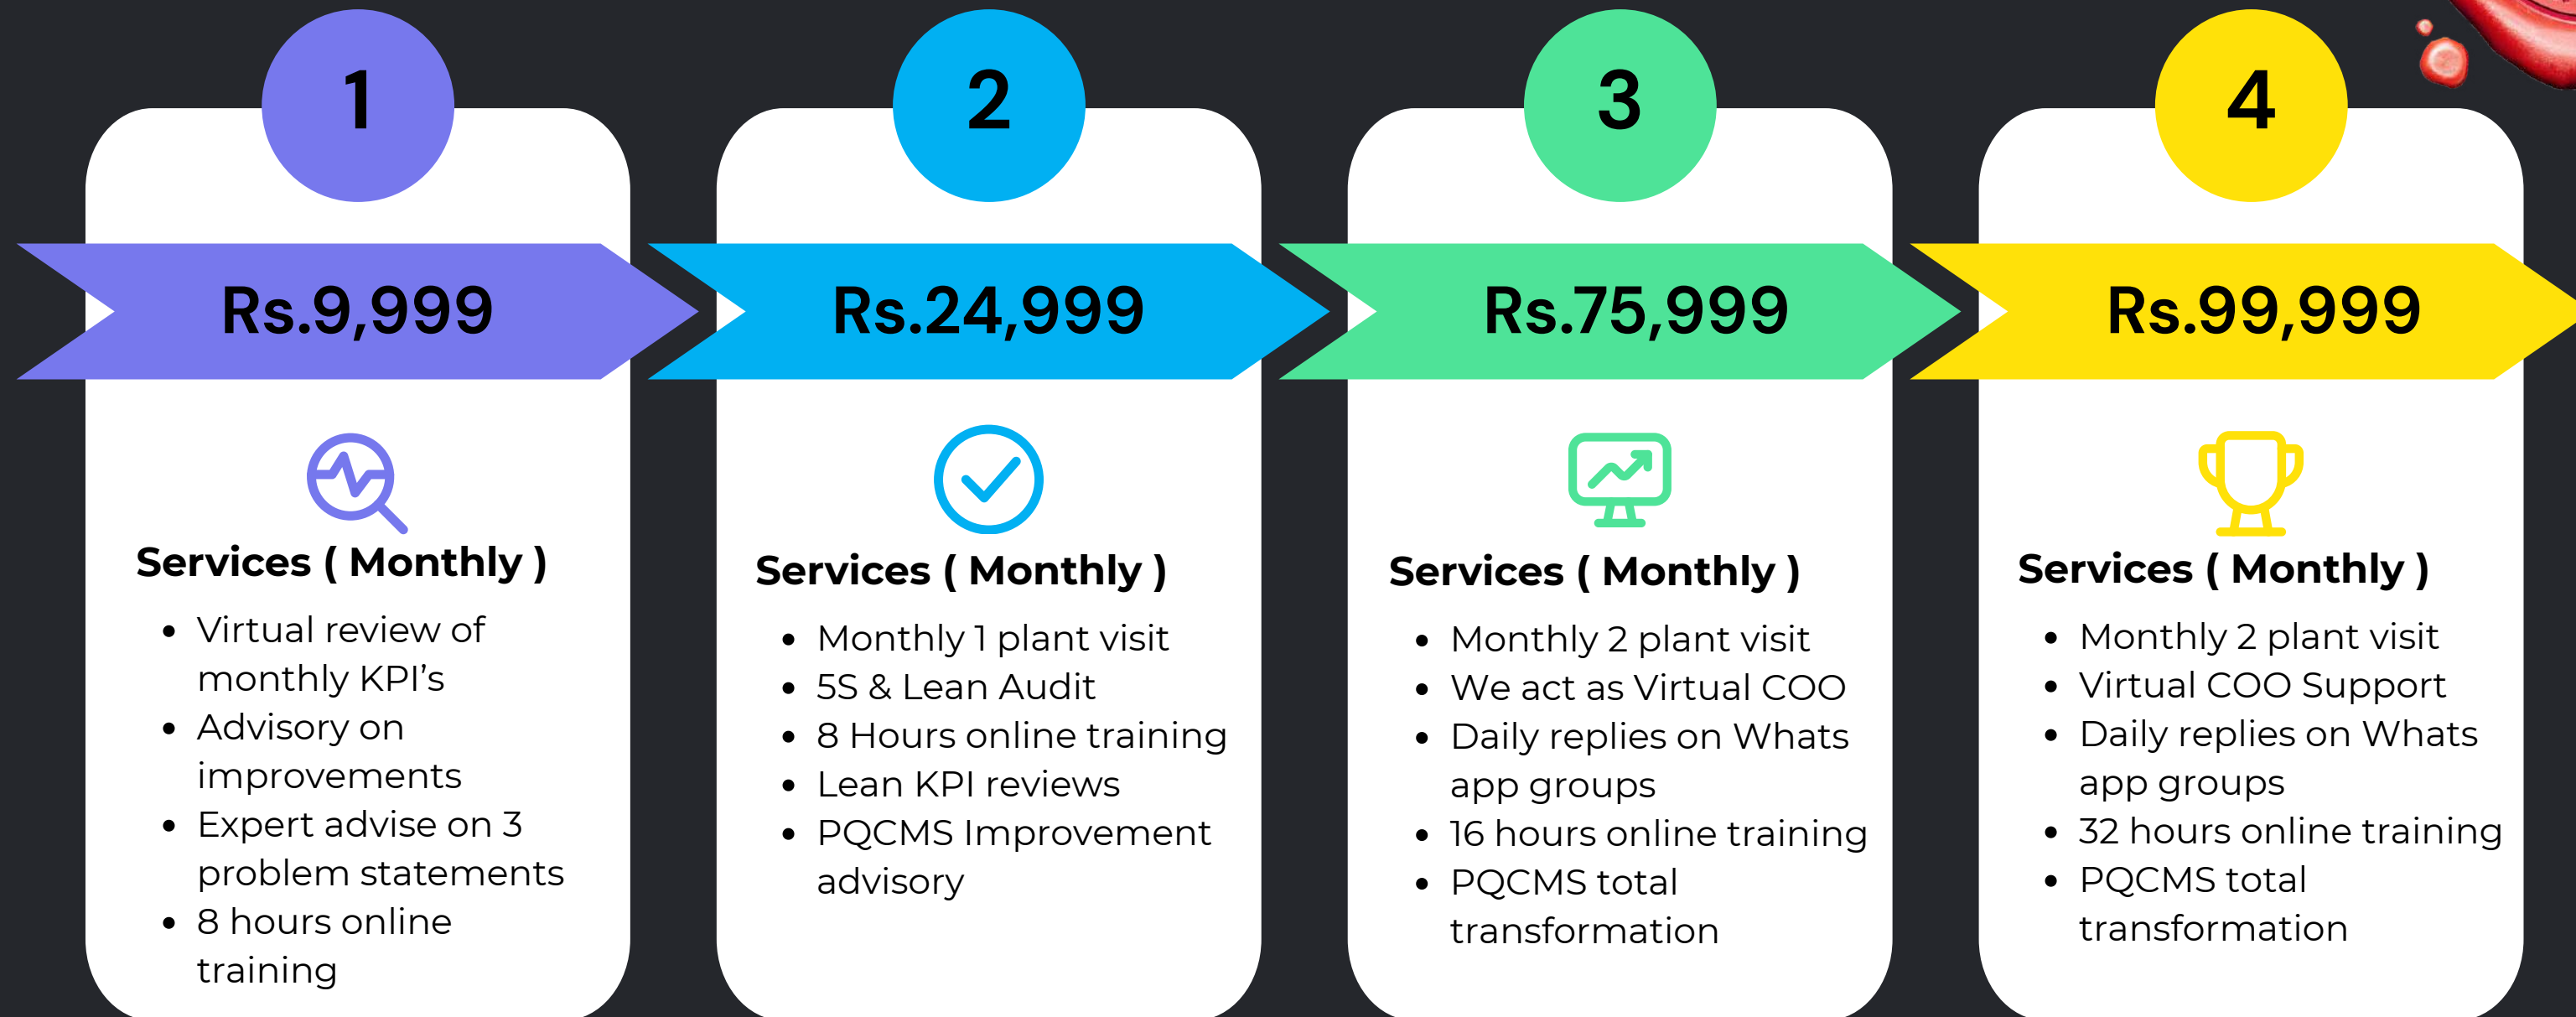

Phase 4 – Operational Excellence

- Lean & TPM drive
- 5S certification
- ISO / IATF / System certification
- Structured ROI Driven trainings
- Sustainability & ESG

Phase 5 – Business Acceleration

- Market entry strategy
- Business development support
- Global customer alignment

Op Ex Subscription Model

Our Simple 4-Step Approach

Diagnose → Identify losses

Design → Create systems

Deploy → Implement on shopfloor

Drive → Monitor & improve

ROI Driven trainings

Training Module	Duration	Fee (INR)
5S + 4S Implimentation Module	16 Hours	40,000
Kaizen Eye module with documentation	16 Hours	40,000
ISO9001 , IATF16949 , ISO13485 , AS9100 Awareness Program	08 Hours	25,000
Supervisory Development program (Newly added topic : AI for you)	16 Hours	40,000
Operational Excellence Mastery Program	40 Hours	1,00,000
Core tools (APQP , PPAP , PFMEA VDA6.3 , MSA , SPC , CP)	40 Hours	1,00,000
Certified Lean Professional + AI Tools	24 Hours	1,00,000

ROI Driven trainings

Training Module	Duration	Fee (INR)
Certified Lean Six Sigma Green Belt	24 Hours	1,00,000
Certified TPM Professional + Industrial safety	24 Hours	1,00,000
Zero Defect road Map	24 Hours	90,000
Cost reduction / control / saving Module	08 hours	30,000
ESG Awareness Program (Online)	06 Hours	20,000
Employee wellness program (psychology , meditation , naturopathy)	08 Hours	30,000
Soft Skills (12 Skills) + AI	08 Hours	30,000

Technical Trainings

Training Module	Duration	Fee (INR)
Certified Soldering & Visual Inspection Tech	16 Hours	3,999
PCBA Debug Engineer	16 Hours	4,999
Certified SMT Technician / engineer	24 Hours	8,999
Certified EMS Engineer ++ AI	40 Hours	14,999
PCB Design & embedded system	40 Hours	20,999
EMS Auditor Certification	32 Hours	15,999
EMS Statup - A to Z : Theory to Handholding	80 Hours	30,999

Other services

- BoM Cost reduction
- **ESG Compliance** : IREC , Carbon credit , GHG Accounting and emission management
- ESG Reporting
- Energy Audits and road map
- Cyber security assesment and road map
- **NAPS / NATS / Contract labour retention program**
- HR Policy drafting & handholding
- Supplier audits and development programs
- EMS Qualification , JV
- EMS Audits and Improvement plans
- Government Policies and funding facilitation
- **Excess / Obsolete Inventory Sales**

Growth Vision 3-Year Strategic Goal

- Develop 50+ ESDM factories
- Enable 5 global OEM setups
- Create 10,000+ skilled workforce pipeline
- Build 2 ESDM clusters
- Client satisfaction rate @ > 90%
